

**Punjab State e-Governance Society**  
Directorate of Governance Reforms, Punjab

The Government of Punjab announces the launch of applications of the **Punjab Good Governance Fellowship** Programme.

We invite young professionals keen on working closely on government initiatives in the state. Over 50+ fellows will be placed across distinct districts, municipal corporations, and departments of the Government of Punjab, with a breadth of exposure in improving public service delivery and its various facets.

We are proud to partner with **Indian School of Business**, as the knowledge partner, to undertake the capacity building of the selected fellows.
