**GOVERNMENT OF PUNJAB
DEPARTMENT OF GOVERNANCE REFORMS**

ORDER

In continuation of order no. E-250133/Work_dist/2856-2857 dated 10.04.2023 regarding allocation of projects/works in DGRPG/PSeGS, it is clarified that the **project / task allocation shall take precedence over the department allocation**. Below are some examples for clarification:

- The projects / tasks pertaining to software / portal / website development / maintenance etc. received from any department are to be taken care of by the Project Manager of the Software Cell i.e. Sh. Vinesh Gautam (GM - Tech).
- The procurement matters of any department (except DGRPG / PSeGS) are to be handled by the concerned Project Manager i.e. Sh. Gagandeep, SM.

Similarly, for requests received from various departments regarding projects like SDC, PAWAN, e-Office, etc. the concerned Project Manager of the project shall handle the request directly and not the concerned Project Manager to whom the concerned department is allocated.
