**To**

1. All Administrative Secretaries, Government of Punjab.
2. All Heads of Departments / Boards / Corporations / Societies / PSUs, Government of Punjab.
3. All Deputy Commissioners of Punjab

**Subject: Regarding discontinuation of empanelment of Cloud Service Providers for providing Cloud services to various government organizations of Punjab.**

This is in continuation to this office's letter no. DGR-PSeG0CS/1/2023-PSEGS DGR/7737-7739 dated 26.10.2023 (copy enclosed) vide which empanelment of 9 vendors for providing cloud services to various Government organizations of Punjab was informed. In this regard, it is intimated that empanelment is hereby discontinued with immediate effect.

2. No new work order can be placed under the said empanelment. To ensure continuity for existing projects, the contracts with M/s ThoughtSol Infotech Pvt. Ltd. and M/s Dataevolve Solutions Pvt. Ltd. are being extended solely for the purpose of facilitating migration. Government organizations using cloud services under the empanelment are requested to migrate to the following option: -

- a. **Punjab State Data Centre (PSDC)** - A State-owned facility already hosting applications of multiple Departments including eOffice, HRMS, IFMS etc. For support and coordination, please contact the PSDC Helpdesk at helpdesk.psdc@punjab.gov.in or call +91-97794-97579 / +91-62396-20889.
- b. **NIC's National Government Cloud (NGC)** - In case resources are unavailable in PSDC, Government organizations may opt for NGC. The detailed onboarding procedure is available at <https://ngc.gov.in/onboarding-procedure>.
- c. Other hosting options like Meity, Gol empaneled CSPs may be considered as per procurement rules, only if PSDC and NGC cloud are unable to suffice the requirements or service the hosting request for an application.

3. Government organizations currently utilizing services under the empanelment must ensure migration of their applications within a stipulated period of 6 months. It must be ensured that the transition does not affect the delivery of public services.
